Spring 2026 Fees

Our vendor name is **Natomas Homeschool Alliance**. The spring semester is 15 weeks/5 months, January 13 to May 5. We will be off for two weeks at Spring Break, March 31 and April 7.

Each class should be listed on a separate PO for the full semester total.

PCI TEACHERS: If entering materials separately would prevent a student from exceeding spending caps, please enter materials costs separately. If caps are not a concern, the total semester price can be used. Materials/curriculum fees for all classes except Cover Story recur in the second semester. Pricing for both semesters is generally the same.
